To: JB <starmanjb@comcast.net>, Flagg Dick <rf@hawaii.rr.com>, Greenman Wes <jupgazer@windstream.net>, Dave Typinski <davetyp@typnet.net>

I followed Dave's suggestion and added a multiplier to the raw data configurable in RTL Bridge from the front panel with Data Scale Factor. The effect is dramatic.

http://radiosky.com/spec/RTL_Bridge_Update_1_1_3.exe

I know its late JB but it might be worth doing for tonights storm.

I fiddled around with the Dongle. Reset everything and we have success! I've got sweepers!!

You can connect to it and see for yourselves.
